

Disclaimer

Any fact, assessment, analysis, forecast, opinion and other information (collectively "**Information**") released by: JSC Caucasus Capital Group, any owner, subsidiary, affiliates or branch office of JSC Caucasus Capital Group, and any director, officer, employee or representative (collectively the "**CCG**"),

whether provided on the CCG websites, on third party websites, in marketing materials, newsletters, in individual e-mails and letters, in lectures, individual conversations or in any other form of written or verbal communication (collectively "**Publications**"),

are provided for informational and/or marketing purposes only.

Unless specifically stated, NO Publication of CCG should be construed as an offer (or solicitation of an offer) to: buy or sell any currency, product or financial instrument, make any investment, or participate in any particular trading strategy (collectively "**Offers**").

Notwithstanding anything to the contrary (not even if specifically stated), NO Publication of the CCG should be construed as an Offer in any jurisdiction in which such Offer would be illegal. Any such perceived Offer will not be honored by the CCG.

No Representation, No Warranty

The CCG uses reasonable efforts to obtain information from reliable sources, but all Publications are provided on an "as is" basis without representation or warranty of any kind (neither express nor implied) and the CCG disclaims liability for any Publication not being complete, accurate, suitable and relevant for the recipient. Specifically, the CCG disclaims liability towards any subscriber, client, partner, supplier, counterparty and other recipients for:

- the accuracy of any market quotations,
- any delay, inaccuracy, error, interruption or omission in providing market quotations, and
- any discontinuance of market quotations.

The Publications of the CCG are not updated after their release and may due to changing circumstances become inaccurate and possibly misleading after a period of time which may vary from seconds and minutes to days, weeks and months depending on the Information. The CCG gives no guarantee against, and assumes no liability towards any recipient for, a Publication being outdated.

If a Publication becomes outdated the CCG shall be under no obligation to: update the Publication, inform the recipients of a Publication, or perform any other action.

Any Publication may be personal to the author and may not reflect the opinion of the CCG. The CCG reserves the right at its sole discretion to withdraw or amend any Publication or Information provided at any time without notice (prior or subsequent).

No Recommendations

The CCG does not in any of its Publications take into account any particular recipient's investment objectives, special investment goals, financial situation, and specific needs and demands. Therefore, all Publications of the CCG are, unless otherwise specifically stated, intended for informational and/or marketing purposes only and should not be construed as: (a) business, financial, investment, hedging, legal, regulatory, tax or accounting advice; (b) a recommendation or trading idea, or (c) any other type of encouragement to act, invest or divest in a particular manner (collectively "**Recommendations**").

The CCG shall not be responsible for any loss arising from any investment based on a perceived Recommendation.

Notwithstanding anything to the contrary (not even if specifically stated), no Publication (including possible Recommendations) shall be construed as a representation or warranty (neither express nor implied) that the recipient will profit from trading in accordance with a trading strategy set forth in a Publication or that the recipient will not sustain losses from trading in accordance with a trading strategy set forth in a Publication.

Risk Warning

Trading in the products and services of the CCG may, even if made in accordance with a Recommendation, result in losses as well as profits. In particular trading in leveraged products, such as but not limited to, foreign exchange, derivatives and commodities can be very speculative and losses and profits may fluctuate both violently and rapidly.

Speculative Trading Is Not Suitable For All Investors

Any mentioning, if any, in a Publication of the risks pertaining to a particular product or service may not and should neither be construed as a comprehensive disclosure nor full description of all risks pertaining to such product or service and the CCG strongly encourages any recipient considering trading in its products and services to employ and continuously consult suitable financial advisors prior to the conclusion of any investment or transaction.

Local Regulatory Restrictions

CCG's Publications may be accessed worldwide. The Information provided in such Publications is however only intended for use by recipients located in countries where such use does not constitute a violation of applicable legislation or regulations. None of the products and services referred to in the Publications of the CCG are available to recipients residing in countries where the provision of such products and services would constitute a violation of mandatory applicable legislation or regulations.

It is the sole responsibility of any recipient employing or requesting a product or service of the CCG to comply with all applicable legislation or regulation.
